SIR

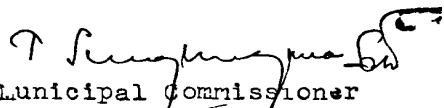

I have the honour to state that the cartmen of the Engineering Department of this Municipality are complaining that they cannot work on monthly hire charges that are being paid to them at present as the cost of food-stuffs cattle fodder and other materials have gone up very high and are pressing that they may also be given Rs 30/- P with an allowance of 10/- P as sanctioned in Government Order No L 2510-1/ 1 10-43-28 dated 6-8-1943 in the case of the silt cartmen of the Health Department of this Municipality. The Municipal Engineer reports that there are 12 carts in his department and that, out of these carts 8 are being paid at Rs 26/- per month and 4 at Rs 25/- per month and that dearness allowance is not being paid to these cartmen from the beginning, as they are not hole time employees. The matter was placed before the Council for their decision. It has been unanimously resolved by the Council at the special meeting held on 2-10-1943 that a uniform hire of Rs 30/- plus an allowance of Rs 10/- per month may be paid to each of the cartmen of the Engineering Department. The additional expenditure on this account comes to Rs 172/- per month or Rs 2,064/- per annum. Necessary provision in this behalf will be made in the annual budgets of this Municipality. The expenditure on this account during the current year will be met out of the savings in the provision of Rs 2,100/- and Rs 3,000/- made under A2(2) "Other taxes establishment" for additional establishment and revision of Taxes respectively in the current year's budget.
